CONDITIONS

The condition for rental of furniture and electrical installation are:

1. All items ordered are on rental basis and exhibitors will therefore have to make good of any damages or losses.
2. For water supply and air compressor, exhibitors are required to bring along their adaptor for connection to their equipment.
3. Exhibitors with very sensitive equipment are advised to bring their own stabilizer to cater for voltage fluctuation.
4. Exhibitors have to bring their own special regulating units if they require very specific water temperature or water pressure.
5. Any complaint regarding rental furniture/installation must be lodged the day before the exhibition commences. Otherwise all items are deemed that be received in good order.
6. Exhibitors are not permitted to fix their own spotlight or fluorescent light. Special lighting supplies by exhibitors can be handed over to Pico IES Group for installation at a nominal price.
7. Exhibitors are required to mark on the location plan position of their electrical requirements and other equipments. We will install at our discretion if we do not receive any instruction before move in. Requests for re-positioning will be subject to relocation charge.
